By Car

From M6

1. At Junction 6 exit onto A38(M). This continues into the A38 Aston Expressway towards Birmingham City Centre.
2. After the flyover, take the next filter road left to St Chads Circus. Take the 3rd exit off the roundabout onto the A41.

Take second left (the first is a no entry) onto Water Street. Follow the one way system turning left into Livery Street, right into Lionel Street, the next right is Ludgate Hill and the Redstone office is on the right.

From M40

At the end of the M40 take the M42 towards the Airport. Exit at junction 6 (Airport and NEC) onto the A45 into Birmingham. Continue to the Outer Ring Road (A4540) and follow signs for Ring Road North, M6.

Continue to the junction which joins the A38(M) and at roundabout take the first exit, signposted City Centre, onto the A38.

Then as from M6 directions point 2.

From M5

Exit at Junction 3 onto the A456 into Birmingham City Centre.

After about 4 miles pass the Plough & Harrow Hotel on the left and move into the right hand lane to continue under the Fiveways Roundabout and onto Broad Street.

Pass the Hyatt Hotel on the right and at the Paradise Circus Roundabout follow signs for the M6 to take you onto Great Charles Street.

After about 200 metres turn left onto Livery Street, first left into Lionel Street, first right into Ludgate Hill and the Redstone office is on the right.

By Train

Redstone is about a fifteen minute walk from New Street Station.

From the platform, take the Victoria Square exit (not the Main Exit).

Turn right, cross the NCP car park entrance and cross over the park at the pedestrian lights, a sign post points up the hill to the Cathedral. Proceed up Lower Temple Street to the Cathedral. Follow the road clockwise around the Cathedral and turn down Church Street. Continue over the footbridge onto Ludgate Hill. Redstone is then about 100 metres along on the right hand side.

By Plane

Redstone is about a thirty minute taxi ride from Birmingham International Airport.
